

REMARK/ARGUMENT

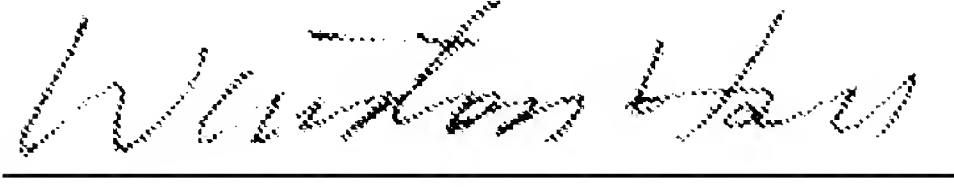

The Examiner is thanked for the thorough examination of the present application and clearly giving an instruction to overcome the U.S.C112 rejection.

5 In response, applicant has amended claim 1, 10, 16 and 20 following the Examiner's instruction. Modifying "according to the encrypted data" to "with the decryption key corresponding to the encrypted data from a master key-table" in claim 1, 10. Modifying "according to the decryption data" to "with the decryption key corresponding to the encrypted data from a master key-table" in claim 16 and 20. Eliminating the word "through" in claim 10 and adding "updated" prior to
10 "decryption key" in claim 16 and claim 20. After foregoing amendments, it is believed that all of the pending claims in this application should be in condition for allowance.

On the other hands, applicant would like to thank the Examiner has the willing to make an Examiner's amendment in this application. If the Examiner
15 considers that there is still a better claimed invention could be added or a better amendment for these pending claimed inventions after reviewing the response, applicant is really pleased to discuss the claimed invention with the Examiner by telephone interview.
